## Judith (Chittum) Flynn

---

### *Class of 1966*

A recognized leader in the business field, Judith (Chittum) Flynn served as president of Geonex Environmental and Natural Resources Group and was a member of the National Association of Women Business Owners' Committee of 200 for women prominent in the business community.

In addition, Flynn was executive vice president of Geonex Corporation, a holding company of which Geonex Environmental and Natural Resources is a part. The other subsidiaries include Martel Laboratories, Chicago Aerial Survey and Martel Laboratory Services. Prior to being appointed executive vice president of the Geonex Corporation, Flynn served for three years as president of Martel Laboratories.

Flynn began her career teaching high school English in New England. She left the education field to work in advertising and as an assistant to a controller of an ALCOA subsidiary. Flynn and her husband, Harold, began Martel Laboratories as an environmental service company. Martel produces and interprets highly detailed maps, most for government contracts.

Flynn has been named to *Who's Who in American Women* and *Who's Who and Why of Successful Florida Women*. The honoraries to which she belongs include Sigma Iota Epsilon, Beta Gamma Sigma and Phi Kappa Phi.

In addition to supervising 400 employees at Martel, Flynn served the company as executive vice president, vice president of administration and controller. She also held positions at ALCOA, the Fire Service Agency of America, Inc., and the Franklin Mint.

*Additional degrees: M.A.T., Brown University; MBA, University of South Florida*
