

Dr. Frederick A. Kaufman

Class of 1941

Frederick Kaufman was born in Ellwood City, Pa.

Three years after his Grove City graduation, he joined the staff of Mellon Institute of Industrial Research in Pittsburgh. He became vice president of The McKay Company in 1946. He moved to Universal Cyclops Steel Division of Cyclops Corporation in 1958 as vice president and became its president in 1965.

Kaufman was a trustee of St. Clair Hospital and a member of the American Society of Mechanical and Metallurgical Engineers. He was a Grove City College trustee from 1972 until 1988.

He passed away.

Additional degrees: Honorary Doctor of Science, Grove City College
