

Dr. Jody L. Mathie

Class of 1977

Dr. Jody Mathie is a primary care pediatrician who founded her own practice, Cherry Creek Pediatrics, in 1985 in the heart of Denver, Colo. Prior to opening her practice, she completed her residency at Children's Hospital Colorado, and was awarded the Joseph Butterfield Award in Perinatology for her work in the NICU while a resident. She has been listed in *5280* magazine's TOP DOCS issue for 16 years. She recently completed 11 years on the board of directors of the Children's Hospital Colorado.

Highly respected in her field, Mathie has won additional teaching awards, including the Outstanding Service Award presented by the Children's Hospital Medical Staff in 2008, and the Career Teaching Scholar Award, presented by the University of Colorado Department of Pediatrics in 2011. She served as president of the medical staff at Children's Hospital from 2000 to 2002, and currently is an associate professor there. Mathie created the Hospital's Quality and Patient Safety Committee, and continues to serve as the vice chair. She remains a devoted fundraiser for children, especially those facing critical illness.

Mathie has been a member of the Grove City College Board of Trustees since 2006, and currently serves as the chair of the Academic Committee.

Additional degrees: M.D., University of Cincinnati
