

# Lauren "Luke" Wygal

---

## *Class of 1948*

A long-time Sandy Lake, Pa., resident became executive vice president of a billion dollar corporation in Oregon. Lauren "Luke" Wygal was executive vice president of finance for Evans Products Company in Portland, then-ranked 152nd in *Fortune* magazine's top 500 industrial companies, based on revenues. In addition, the company was ranked number five in growth of earnings per share during that 10-year period, and number 16 in an analysis of combined return on investment during the same period.

Wygal first worked for Price, Waterhouse & Co., in Philadelphia for eight years. For six years he was associated with The Budd Co., as corporate internal audit manager in Philadelphia; plant controller in Gary, Ind.; and manager of estimating and assistant controller of the automotive division in Detroit, Mich. He joined Evans, a building products company, in 1962. Wygal was listed in *Who's Who in America* and his professional memberships included the Pennsylvania Institute of CPAs, American Institute of CPAs, Oregon Society of CPAs and the Financial Executives' Institute.

He passed away May 17, 1997.
